Question 1
Constitutional Amendment
(Ch. 645 of the 2020 Legislative Session)
State Budget Process

The proposed amendment authorizes the General Assembly, in enacting a balanced budget bill for fiscal year 2024 and each fiscal year thereafter, to increase, diminish, or add items, provided that the General Assembly may not exceed the total proposed budget as submitted by the Governor.

(Amending Article II Section 17 and Article III Sections 14 and 52 of the Maryland Constitution)

○ **For the Constitutional Amendment**

○ **Against the Constitutional Amendment**

Question 2
Commercial Gaming Expansion
Referendum
(Ch. 492 of the 2020 Legislative Session)
Expansion of Commercial Gaming - Sports and Event Wagering

Do you approve the expansion of commercial gaming in the State of Maryland to authorize sports and events betting for the primary purpose of raising revenue for education?

○ **For the Referred Law**

○ **Against the Referred Law**

Question A
Charter Amendment
Redistricting Dates

Changing the Howard County Charter to allow the County Council to set dates for drawing new Council district borders. After each official count of everyone who lives in the County, the Council would quickly form a redistricting commission and set dates for the commission to submit a plan for new Council district borders, and for the plan to become law if the Council does not adopt a different plan. The dates for these actions are now set by the County Charter, which uses an outdated State election schedule.

○ **For Council to Set Dates**

○ **Against Council to Set Dates**

Question B
Charter Amendment
Citizen Board Term

Changing the Howard County Charter to shorten the term a resident would serve as a member on most County boards from five years to three years.

○ **For Three-Year Term**

○ **Against Three-Year Term**

Question C
Charter Amendment
County Employment Discrimination

Changing the Howard County Charter to prohibit employment discrimination by Howard County based on a person's disability, color, national origin, immigration status, age, occupation, marital status, sexual orientation, gender identity or expression, family status, or personal appearance. The prohibition would no longer include the word *sex* and the County could still not make an employment decision based on a person's political or religious opinions or associations or race.

Redistricting Dates**

Changing the Howard County Charter to allow the County Council to set dates for drawing new Council district borders. After each official count of everyone who lives in the County, the Council would quickly form a redistricting commission and set dates for the commission to submit a plan for new Council district borders, and for the plan to become law if the Council does not adopt a different plan. The dates for these actions are now set by the County Charter, which uses an outdated State election schedule.

Changing the Howard County Charter to prohibit employment discrimination by Howard County based on a person's disability, color, national origin, immigration status, age, occupation, marital status, sexual orientation, gender identity or expression, family status, or personal appearance. The prohibition would no longer include the word *sex* and the County could still not make an employment decision based on a person's political or religious opinions or associations or race.

Question 1
Constitutional Amendment
(Ch. 645 of the 2020 Legislative Session)
State Budget Process

The proposed amendment authorizes the General Assembly, in enacting a balanced budget bill for fiscal year 2024 and each fiscal year thereafter, to increase, diminish, or add items, provided that the General Assembly may not exceed the total proposed budget as submitted by the Governor.

(Amending Article II Section 17 and Article III Sections 14 and 52 of the Maryland Constitution)

- ○ **For the Constitutional Amendment**
- ○ **Against the Constitutional Amendment**

Question 2
Commercial Gaming Expansion Referendum
(Ch. 492 of the 2020 Legislative Session)
Expansion of Commercial Gaming - Sports and Event Wagering

Do you approve the expansion of commercial gaming in the State of Maryland to authorize sports and events betting for the primary purpose of raising revenue for education?

- ○ **For the Referred Law**
- ○ **Against the Referred Law**

Question A
Charter Amendment
Redistricting Dates

Changing the Howard County Charter to allow the County Council to set dates for drawing new Council district borders. After each official count of everyone who lives in the County, the Council would quickly form a redistricting commission and set dates for the commission to submit a plan for new Council district borders, and for the plan to become law if the Council does not adopt a different plan. The dates for these actions are now set by the County Charter, which uses an outdated State election schedule.

- ○ **For Council to Set Dates**
- ○ **Against Council to Set Dates**

Question B
Charter Amendment
Citizen Board Term

Changing the Howard County Charter to shorten the term a resident would serve as a member on most County boards from five years to three years.

- ○ **For Three-Year Term**
- ○ **Against Three-Year Term**

Question C
Charter Amendment
County Employment Discrimination

Changing the Howard County Charter to prohibit employment discrimination by Howard County based on a person's disability, color, national origin, immigration status, age, occupation, marital status, sexual orientation, gender identity or expression, family status, or personal appearance. The prohibition would no longer include the word *sex* and the County could still not make an employment decision based on a person's political or religious opinions or associations or race.

Question A
Charter Amendment
Redistricting Dates

Changing the Howard County Charter to allow the County Council to set dates for drawing new Council district borders. After each official count of everyone who lives in the County, the Council would quickly form a redistricting commission and set dates for the commission to submit a plan for new Council district borders, and for the plan to become law if the Council does not adopt a different plan. The dates for these actions are now set by the County Charter, which uses an outdated State election schedule.

Question B
Charter Amendment
Citizen Board Term

Changing the Howard County Charter to shorten the term a resident would serve as a member on most County boards from five years to three years.

○ **For Three-Year Term**

Question C
Charter Amendment
County Employment Discrimination

Changing the Howard County Charter to prohibit employment discrimination by Howard County based on a person's disability, color, national origin, immigration status, age, occupation, marital status, sexual orientation, gender identity or expression, family status, or personal appearance. The prohibition would no longer include the word *sex* and the County could still not make an employment decision based on a person's political or religious opinions or associations or race.

Question 1
Constitutional Amendment
(Ch. 645 of the 2020 Legislative Session)
State Budget Process

The proposed amendment authorizes the General Assembly, in enacting a balanced budget bill for fiscal year 2024 and each fiscal year thereafter, to increase, diminish, or add items, provided that the General Assembly may not exceed the total proposed budget as submitted by the Governor.

(Amending Article II Section 17 and Article III Sections 14 and 52 of the Maryland Constitution)

○ **Against the Constitutional Amendment**

Question 2
Commercial Gaming Expansion
Referendum
(Ch. 492 of the 2020 Legislative Session)
Expansion of Commercial Gaming - Sports and Event Wagering

Do you approve the expansion of commercial gaming in the State of Maryland to authorize sports and events betting for the primary purpose of raising revenue for education?

○ **For the Referred Law**

○ **Against the Referred Law**

Question A
Charter Amendment
Redistricting Dates

Changing the Howard County Charter to allow the County Council to set dates for drawing new Council district borders. After each official count of everyone who lives in the County, the Council would quickly form a redistricting commission and set dates for the commission to submit a plan for new Council district borders, and for the plan to become law if the Council does not adopt a different plan. The dates for these actions are now set by the County Charter, which uses an outdated State election schedule.

○ **For Council to Set Dates**

○ **Against Council to Set Dates**

Question B
Charter Amendment
Citizen Board Term

Changing the Howard County Charter to shorten the term a resident would serve as a member on most County boards from five years to three years.

○ **For Three-Year Term**

○ **Against Three-Year Term**

Question C
Charter Amendment
County Employment Discrimination

Changing the Howard County Charter to prohibit employment discrimination by Howard County based on a person's disability, color, national origin, immigration status, age, occupation, marital status, sexual orientation, gender identity or expression, family status, or personal appearance. The prohibition would no longer include the word *sex* and the County could still not make an employment decision based on a person's political or religious opinions or associations or race.

Question A
**Charter Amendment
Redistricting Dates**

Changing the Howard County Charter to allow the County Council to set dates for drawing new Council district borders. The dates for these actions are now set by the County Charter, which uses an outdated State election schedule.

Question 1
Constitutional Amendment
(Ch. 645 of the 2020 Legislative Session)
State Budget Process

The proposed amendment authorizes the General Assembly, in enacting a balanced budget bill for fiscal year 2024 and each fiscal year thereafter, to increase, diminish, or add items, provided that the General Assembly may not exceed the total proposed budget as submitted by the Governor.

(Amending Article II Section 17 and Article III Sections 14 and 52 of the Maryland Constitution)

○ **Against the Constitutional Amendment**

Question 2
Commercial Gaming Expansion
Referendum
(Ch. 492 of the 2020 Legislative Session)
Expansion of Commercial Gaming - Sports and Event Wagering

Do you approve the expansion of commercial gaming in the State of Maryland to authorize sports and events betting for the primary purpose of raising revenue for education?

○ **For the Referred Law**

○ **Against the Referred Law**

Question A
Charter Amendment
Redistricting Dates

Changing the Howard County Charter to allow the County Council to set dates for drawing new Council district borders. After each official count of everyone who lives in the County, the Council would quickly form a redistricting commission and set dates for the commission to submit a plan for new Council district borders, and for the plan to become law if the Council does not adopt a different plan. The dates for these actions are now set by the County Charter, which uses an outdated State election schedule.

○ **For Council to Set Dates**

○ **Against Council to Set Dates**

Question B
Charter Amendment
Citizen Board Term

Changing the Howard County Charter to shorten the term a resident would serve as a member on most County boards from five years to three years.

○ **For Three-Year Term**

○ **Against Three-Year Term**

Question C
Charter Amendment
County Employment Discrimination

Changing the Howard County Charter to prohibit employment discrimination by Howard County based on a person's disability, color, national origin, immigration status, age, occupation, marital status, sexual orientation, gender identity or expression, family status, or personal appearance. The prohibition would no longer include the word *sex* and the County could still not make an employment decision based on a person's political or religious opinions or associations or race.

Question 1
Constitutional Amendment
(Ch. 645 of the 2020 Legislative Session)
State Budget Process

The proposed amendment authorizes the General Assembly, in enacting a balanced budget bill for fiscal year 2024 and each fiscal year thereafter, to increase, diminish, or add items, provided that the General Assembly may not exceed the total proposed budget as submitted by the Governor.

(Amending Article II Section 17 and Article III Sections 14 and 52 of the Maryland Constitution)

○ **Against the Constitutional Amendment**

Question 2
Commercial Gaming Expansion Referendum
(Ch. 492 of the 2020 Legislative Session)
Expansion of Commercial Gaming - Sports and Event Wagering

Do you approve the expansion of commercial gaming in the State of Maryland to authorize sports and events betting for the primary purpose of raising revenue for education?

○ **For the Referred Law**

○ **Against the Referred Law**

Question A
Charter Amendment
Redistricting Dates

Changing the Howard County Charter to allow the County Council to set dates for drawing new Council district borders. After each official count of everyone who lives in the County, the Council would quickly form a redistricting commission and set dates for the commission to submit a plan for new Council district borders, and for the plan to become law if the Council does not adopt a different plan. The dates for these actions are now set by the County Charter, which uses an outdated State election schedule.

○ **For Council to Set Dates**

○ **Against Council to Set Dates**

Question B
Charter Amendment
Citizen Board Term

Changing the Howard County Charter to shorten the term a resident would serve as a member on most County boards from five years to three years.

○ **For Three-Year Term**

○ **Against Three-Year Term**

Question C
Charter Amendment
County Employment Discrimination

Changing the Howard County Charter to prohibit employment discrimination by Howard County based on a person's disability, color, national origin, immigration status, age, occupation, marital status, sexual orientation, gender identity or expression, family status, or personal appearance. The prohibition would no longer include the word *sex* and the County could still not make an employment decision based on a person's political or religious opinions or associations or race.

Redistricting Dates

Changing the Howard County Charter to allow the County Council to set dates for drawing new Council district borders. After each official count of everyone who lives in the County, the Council would quickly form a redistricting commission and set dates for the commission to submit a plan for new Council district borders, and for the plan to become law if the Council does not adopt a different plan. The dates for these actions are now set by the County Charter, which uses an outdated State election schedule.

County Employment Discrimination

Changing the Howard County Charter to prohibit employment discrimination by Howard County based on a person's disability, color, national origin, immigration status, age, occupation, marital status, sexual orientation, gender identity or expression, family status, or personal appearance. The prohibition would no longer include the word *sex* and the County could still not make an employment decision based on a person's political or religious opinions or associations or race.

Constitutional Amendment
(Ch. 645 of the 2020 Legislative Session)

The proposed amendment authorizes the General Assembly, in enacting a balanced budget bill for fiscal year 2024 and each fiscal year thereafter, to increase, diminish, or add items, provided that the General Assembly may not exceed the total proposed budget as submitted by the Governor.

(Amending Article II Section 17 and Article III Sections 14 and 52 of the Maryland Constitution)

Question 2
Commercial Gaming Expansion
Referendum
(Ch. 492 of the 2020 Legislative Session)
Expansion of Commercial Gaming - Sports and Event Wagering

Do you approve the expansion of commercial gaming in the State of Maryland to authorize sports and events betting for the primary purpose of raising revenue for education?

○ **For the Referred Law**

○ **Against the Referred Law**

Question A
Charter Amendment
Redistricting Dates

Changing the Howard County Charter to allow the County Council to set dates for drawing new Council district borders. After each official count of everyone who lives in the County, the Council would quickly form a redistricting commission and set dates for the commission to submit a plan for new Council district borders, and for the plan to become law if the Council does not adopt a different plan. The dates for these actions are now set by the County Charter, which uses an outdated State election schedule.

○ **For Council to Set Dates**

○ **Against Council to Set Dates**

Question B
Charter Amendment
Citizen Board Term

Changing the Howard County Charter to shorten the term a resident would serve as a member on most County boards from five years to three years.

○ **For Three-Year Term**

○ **Against Three-Year Term**

Question C
Charter Amendment
County Employment Discrimination

Changing the Howard County Charter to prohibit employment discrimination by Howard County based on a person's disability, color, national origin, immigration status, age, occupation, marital status, sexual orientation, gender identity or expression, family status, or personal appearance. The prohibition would no longer include the word *sex* and the County could still not make an employment decision based on a person's political or religious opinions or associations or race.

Question 1
Constitutional Amendment
(Ch. 645 of the 2020 Legislative Session)
State Budget Process

The proposed amendment authorizes the General Assembly, in enacting a balanced budget bill for fiscal year 2024 and each fiscal year thereafter, to increase, diminish, or add items, provided that the General Assembly may not exceed the total proposed budget as submitted by the Governor.

(Amending Article II Section 17 and Article III Sections 14 and 52 of the Maryland Constitution)

○ **For the Constitutional Amendment**

○ **Against the Constitutional Amendment**

Question 2
Commercial Gaming Expansion
Referendum
(Ch. 492 of the 2020 Legislative Session)
Expansion of Commercial Gaming - Sports and Event Wagering

Do you approve the expansion of commercial gaming in the State of Maryland to authorize sports and events betting for the primary purpose of raising revenue for education?

○ **For the Referred Law**

○ **Against the Referred Law**

Question A
Charter Amendment
Redistricting Dates

Changing the Howard County Charter to allow the County Council to set dates for drawing new Council district borders. After each official count of everyone who lives in the County, the Council would quickly form a redistricting commission and set dates for the commission to submit a plan for new Council district borders, and for the plan to become law if the Council does not adopt a different plan. The dates for these actions are now set by the County Charter, which uses an outdated State election schedule.

○ **For Council to Set Dates**

○ **Against Council to Set Dates**

Question B
Charter Amendment
Citizen Board Term

Changing the Howard County Charter to shorten the term a resident would serve as a member on most County boards from five years to three years.

○ **For Three-Year Term**

○ **Against Three-Year Term**

Question C
Charter Amendment
County Employment Discrimination

Changing the Howard County Charter to prohibit employment discrimination by Howard County based on a person's disability, color, national origin, immigration status, age, occupation, marital status, sexual orientation, gender identity or expression, family status, or personal appearance. The prohibition would no longer include the word *sex* and the County could still not make an employment decision based on a person's political or religious opinions or associations or race.

Question A
Charter Amendment
Redistricting Dates

Changing the Howard County Charter to allow the County Council to set dates for drawing new Council district borders. Question A
**Charter Amendment
Redistricting Dates**

Changing the Howard County Charter to allow the County Council to set dates for drawing new Council district borders. After each official count of everyone who lives in the County, the Council would quickly form a redistricting commission and set dates for the commission to submit a plan for new Council district borders, and for the plan to become law if the Council does not adopt a different plan. The dates for these actions are now set by the County Charter, which uses an outdated State election schedule.

Changing the Howard County Charter to shorten the term a resident would serve as a member on most County boards from five years to three years.

County Employment Discrimination**

Changing the Howard County Charter to prohibit employment discrimination by Howard County based on a person's disability, color, national origin, immigration status, age, occupation, marital status, sexual orientation, gender identity or expression, family status, or personal appearance. Question 1
Constitutional Amendment
(Ch. 645 of the 2020 Legislative Session)
State Budget Process

The proposed amendment authorizes the General Assembly, in enacting a balanced budget bill for fiscal year 2024 and each fiscal year thereafter, to increase, diminish, or add items, provided that the General Assembly may not exceed the total proposed budget as submitted by the Governor.

(Amending Article II Section 17 and Article III Sections 14 and 52 of the Maryland Constitution)

○ **For the Constitutional Amendment**

○ **Against the Constitutional Amendment**

Question 2
Commercial Gaming Expansion Referendum
(Ch. 492 of the 2020 Legislative Session)
Expansion of Commercial Gaming - Sports and Event Wagering

Do you approve the expansion of commercial gaming in the State of Maryland to authorize sports and events betting for the primary purpose of raising revenue for education?

○ **For the Referred Law**

○ **Against the Referred Law**

Question A
Charter Amendment
Redistricting Dates

Changing the Howard County Charter to allow the County Council to set dates for drawing new Council district borders. After each official count of everyone who lives in the County, the Council would quickly form a redistricting commission and set dates for the commission to submit a plan for new Council district borders, and for the plan to become law if the Council does not adopt a different plan. The dates for these actions are now set by the County Charter, which uses an outdated State election schedule.

○ **For Council to Set Dates**

○ **Against Council to Set Dates**

Question B
Charter Amendment
Citizen Board Term

Changing the Howard County Charter to shorten the term a resident would serve as a member on most County boards from five years to three years.

○ **For Three-Year Term**

○ **Against Three-Year Term**

Question C
Charter Amendment
County Employment Discrimination

Changing the Howard County Charter to prohibit employment discrimination by Howard County based on a person's disability, color, national origin, immigration status, age, occupation, marital status, sexual orientation, gender identity or expression, family status, or personal appearance. The prohibition would no longer include the word *sex* and the County could still not make an employment decision based on a person's political or religious opinions or associations or race.
